Cascos garantiza una calidad superior, ofrece: motores eléctricos equipados con protecciones térmicas, válvulas regulación de velocidad, válvulas de bajada manual, temporizador de subida regulable, etc.

Cascos have advantages that ensure a greater quality, such as: Motors equipped with thermal protections, Speedy control valves, manual descent valve, adjustable timer, etc.

Cascos possède des avantages exclusives: moteurs électriques équipés des protections thermiques, valve de régulation de vitesse, valve de descente manuelle, temporisateur de montée réglable, etc.

ALTURA MÍNIMA · MINIMAL HEIGHT · HAUTEUR MINIMAL

H. Min. 130-180 mm

La más baja del mercado!
The lowest on the market!
Le plus bas sur le marché!

Permite rampas más cortas, incluso para vehículos deportivos.
Allows shorter ramps for low profile cars.
Permet des rampes plus courts pour véhicules à faible garde au sol.
